

# LITTER PICKING

The Energy and Environmental Management Team of Herefordshire Council are looking at ways of how to improve the litter situation in the County.

We will be encouraging the public not to drop litter and for everyone to take responsibility for their own waste.

We are aware though, that many communities are already organising litter picks in their area, so we are currently trying to find out where this is happening and how we can support others to take part.

**We would therefore be very grateful if you could let us know if your Parish Council or any groups in your Parish are organising litter picks by contacting Jane Denny on 01432 383449 or emailing [jdenny@herefordshire.gov.uk](mailto:jdenny@herefordshire.gov.uk)**

If you would be interested in organising a litter pick, Balfour Beatty have kits of litter picking equipment available for groups to borrow.

Packs can be ordered by ringing 01432 349504.

Full details on litter can be found by following this link to the Herefordshire Council website
